Utility Cart Series

The S&S MedCart **Utility Cart Series** is the partner in the day in and day out function of patient care. The **Anesthesia Cart, Crash Cart, and Supply Cart** are must have tools for any hard working patient care facility. Built with an eye toward ease of use the Utility Cart Series is also strong and designed to give you years of service. For those facilities charged with the care of patients for an extended period of time S&S offers our **Long Term Care Carts**. Finally that idea of quality and value carries through to the S&S MedCart line of **Transfer Carts**. Whether restocking operating room supplies, room linens or delivering patient meals, S&S MedCart has a Transfer Cart for you.

Crash Cart-30

- Solid metal construction for durability and security
- Low center of gravity for easy maneuvering
- 5" casters for quiet operation
- 30" of multiple drawer configurations of 3"/6"/9"/12" metal drawers
- Accessory package includes oxygen bracket, IV pole and cardiac board
- IV pole and swing arm are mounted internally for stability, eliminating loose screws and unstable equipment during use
- Proof-of-entry flap allows for security while allowing unfettered access

Crash Cart-24

- All the features listed in the Crash Cart 30
- 24" of multiple drawer configurations of 3"/6"/9"/12" metal drawers
